1.2 The RRS will be changed by the Sailing Instructions as follows:

RRS 61 (Protest Requirements) Boats of less than 6 metres may be required to display a red flag.

RRS63 (Hearings) Advisory, arbitration or other forms of hearing may be held.

RRS appendix G (Sail Identification). Boats shall, as a minimum, have a sail number on their mainsail, overlapping genoa and spinnaker as appropriate. The specification of such numbers shall comply with rule G1.2. Failure to display a number will result in disqualification without hearing.

Boats 6m LOA and less racing in Start Bay shall comply with the portable equipment section of the same regulations, except they are not required to carry a lifebuoy and drogue or heaving line. All boats racing in Start Bay shall carry at least one orange smoke flare in a waterproof container and it is strongly recommended a Marine VHF Transceiver is carried.

1.4 For safety reasons Bow Anchors are to be stored within the boat so that there is no protrusion by the anchor beyond the bow or any other part of the boat.

1.5 In the event of lack of wind and/or adverse tide, boats must make their own way to and from the race area either under their own engine power, or by pre-arranged tow from their own support boat or another competitor. Boats involved in race management are not available to tow competitors.

## **9 SCORING**

- 9.1 The Baltic Wharf Boatyard Passage Race is a stand-alone event not being part of any series.
- 9.2 Dinghies and Four Day Regatta Series:
- (a) One race is required to be completed to constitute a series.
  - (b) When three or less races have been completed, a boat's series score will be the total of her race scores.
  - (c) When four or more races have been completed, a boat's series score will be the total of her race scores excluding her worst score.

For level rating and one design classes, series ties will be decided according to RRS Appendix A8. For handicap classes A8.1 is changed: Excluded scores shall be used.

- 9.3 Regatta Overall Trophies:

A boat's series score will be used. If one division completes fewer races than another, abandonments will be scored Did Not Finish unless a disqualification under Rule 30.3 is applicable.

For Overall Trophies RRS A8.1 is changed: Excluded scores shall be used. RRS A8.2 will not be used. Any remaining ties will be decided by the greater number of boats beaten, based on the mean average of boats starting in a division. If a tie then remains, the trophy will be shared.

- 9.4 Trophies designated for Local Boats will be awarded to those normally berthed in Dartmouth and paying harbour dues to Dart Harbour. Chartered boats will not be eligible for local boat trophies.
- 9.5 Classic Boat trophies & prizes (PY classes only) will be awarded to those built prior to and during 1980.
- 9.6 Where available, trophies for individual designs within a handicap class will only be awarded if five or more boats of that particular design are entered.

## **10 DISCLAIMER OF LIABILITY**

Competitors, meaning both the skipper and crew of a boat or dinghy, participate in the Regatta entirely at their own risk, whether afloat or ashore. Nothing, whether in the Notice of Race or Sailing Instructions or anywhere else, reduces this responsibility. See RRS 4, Decision to Race. Nothing done by the organisers can reduce the responsibility of the competitor nor will it make the organisers responsible for any loss, material damage, death or personal injury, sustained in conjunction with, prior to, during or after the Regatta. The organisers encompass everyone helping to run the race and the event, and include the OA, the Race Committee, the Race Officer, Mark Layers, Patrol Boats Crews and Beach Marshals.

The responsibility for deciding whether to start a race or whether to continue racing lies solely with the individual boat or dinghy skipper. By launching or going to sea the skipper of the boat or dinghy confirms that it is fit for those conditions in which it will find itself and that its crew is competent to sail and compete in them.

The provision of patrol boats does not relieve competitors of their responsibilities.

# Port of Dartmouth Royal Regatta DARTMOUTH SAILING WEEK 2010

## DINGHY JOINING NOTES

### RDYC, Kingswear

The tide times this year make it necessary to move the Junior Dinghy Racing to Dartmouth. If you are delivering a boat to Kingswear, due to traffic congestion and tidal constraints, it is essential you arrive between 15:00 & 18:00 on Friday 20th August. During this period the Beachmaster and his crew will be available to off load your boat and assist with moving it to an allocated space on the RDYC pontoon.

Do not attempt to off load in Priory Lane (i.e. outside RDYC) as you will cause an obstruction.

To get to Kingswear by road, follow the B3205 from its junction at Hillhead with the A379. On arrival in the village follow the signs to Darthaven Marina. In the marina car park you will be directed to an off loading area.

Free of charge trailer parking will be available up to Tuesday evening. No trailer parking is available beyond this time due to the limited parking available for cars during the main Regatta. Spectator parking is available at Darthaven Marina at their normal rates for non-berth holders.

### Dittisham SC

Senior Dinghy Racing will again be based at Dittisham SC.

To find the Club get onto the A381 Totnes to Kingsbridge road and at Halwell take the turnoff to Dartmouth onto the A3122.

After a little over three miles the A3122 takes a sharp bend to the right at the Sportsman's Arms public house. Leave it at this point by bearing left (almost straight on) signposted Dittisham. After another three miles you enter the village at a 'T' junction. Ahead you will see the Red Lion pub, bear left here and immediately right into Riverside Road. Approx 200 yards down Riverside Road you will see on the right a sign to 'The Ham' car park. Go down into the car park and straight through it down the ramp to the foreshore. Bear left along the foreshore and drive on until you see the Clubhouse.

Leave your boat and trolley here and park your car and trailer as directed by The

Beachmaster who will be on duty from 12:00 on Saturday 21st August to welcome you and sign you in.

**DO NOT ATTEMPT TO GET TO DITTISHAM BY ANY OTHER ROAD ROUTE ESPECIALLY IF YOU ARE TOWING A BOAT!**

The Ham car park is quite small but has reasonable charges. Trailers can be parked on the Ham itself free of charge but only in designated spots. If the car park is full then use Riverside Road, which is free, but 200 yards away.

Cars and trailers are only allowed on the foreshore to unload dinghies and trolleys. The first race on Saturday 21st August is at 15:00, with a briefing at the Dittisham SC Boathouse at 14:00.

Have a safe journey and we look forward to seeing you at the Regatta.
